Attest:

OLIVER WARNER,  
*Secretary.*

PLURIMOTY  
RESOLUTIONS

LEGISLATURE OF MASSACHUSETTS

The public health is of great importance  
and it is the duty of the Legislature to provide  
for the same.

WHEREAS the Legislature of Massachusetts  
in the year one thousand eight hundred and ninety

passed an act to provide for the establishment of a  
board of health in each city and town, and to provide  
for the establishment of a board of health in each city and town,  
and to provide for the establishment of a board of health in each city and town,  
and to provide for the establishment of a board of health in each city and town,<
